

Nomads Notes

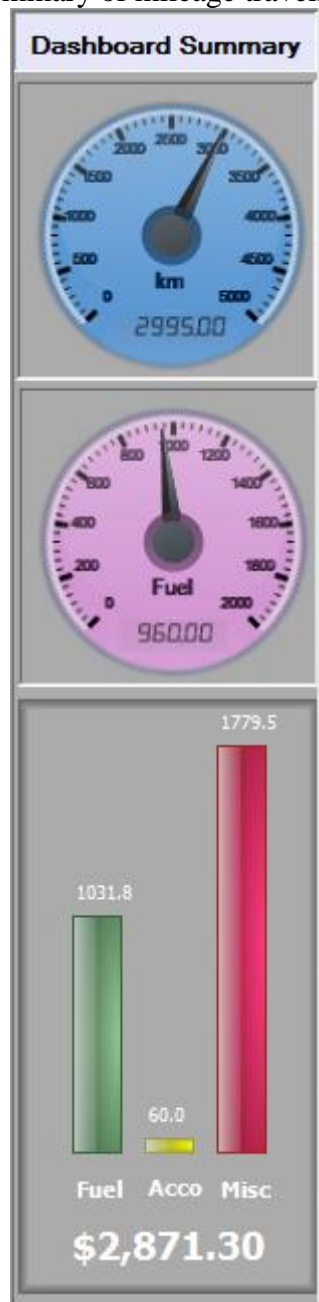

Comprehensive Travel Diary Software

Dashboard

www.nomadsnotes.com

for any further questions or issues please contact
gail@motorhominglifestyle.com

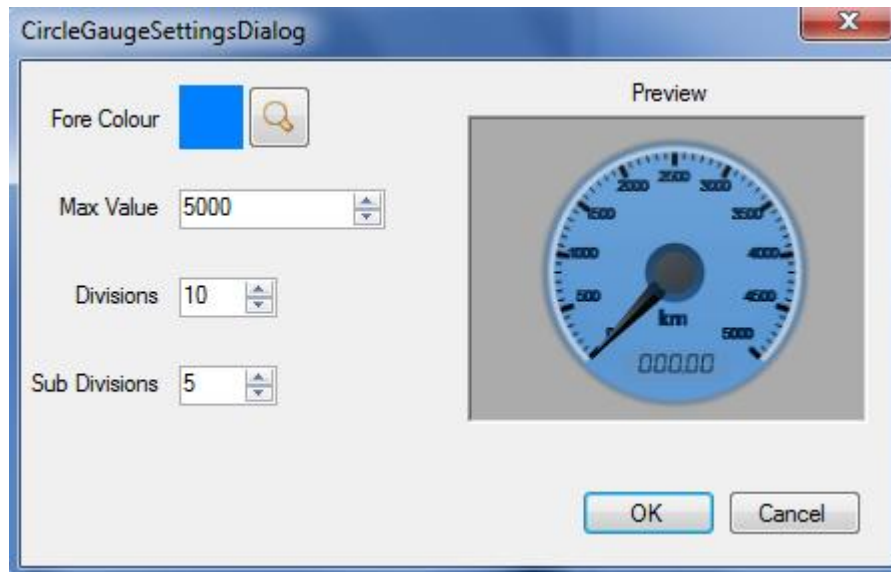

The Dashboard is a graphical summary of mileage travelled, fuel used and expenses of a trip.

Right click on the dashboard to change parameters

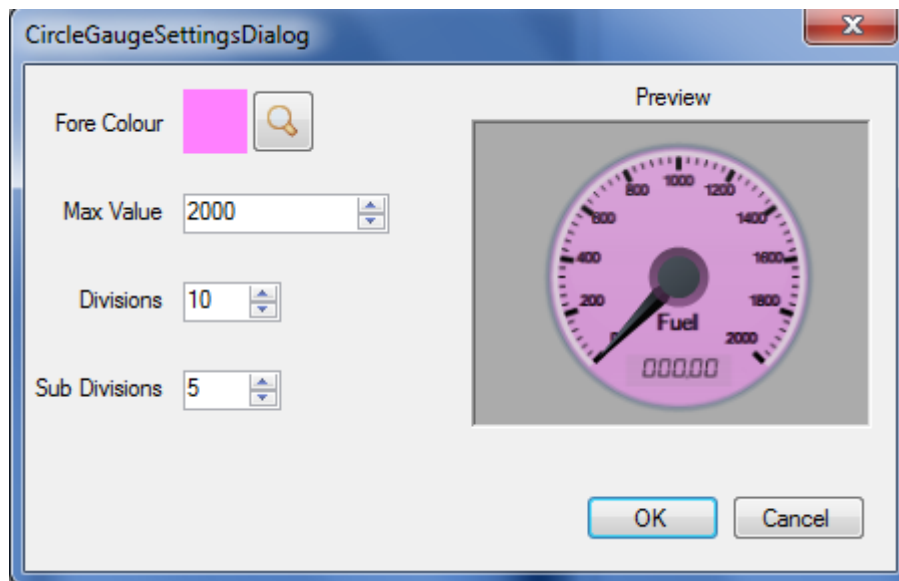

Mileage

Right click on the mileage dial to change colour, maximum value, and divisions

Fuel

Right click on the Fuel dial to change colour, maximum value, and divisions

Expenses

Right click on the Expenses bar graph to change colours and bar sizes or value between value or percent.

Hover over the bar for further detail
